Dr. Hatcher's Point of View:

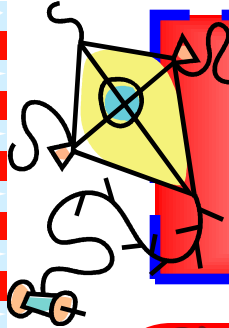

Is it really summertime? Time seems to be flying by this year – really fast! I hope everyone is enjoying their summer and taking a little time to relax with friends and family.

Enjoy the warm weather, hit the beach or the pool, see some fireworks and go to a baseball game. That's what summer fun is all about. Hope to see everyone soon!

Community

This year's Relay for Life in May went well – we had loads of fun and were able to raise approx. \$2000 for the American Cancer Society. Our "Build-A-Bike" event we hosted in April for some of our referring dentists and their teams was a lot of fun. We built 8 bikes and delivered them to various charities in the area. Don't forget, our Annual Pumpkin Decorating Contest is coming up in October!!!
